I love the agreement tent and Niagara's falls. It really made me appreciate my Canadian neighbors - and they are great cooks! The French Canadian food was the best I ever had, and the service was excellent. I think Daniel talked about his life more than the need. Certain taxes / fees should be paid when leaving the country in local currencies. Had a wonderful time with tour guide and driver. My parents were there on his honeymoon, and I could see what they experienced. The bus driver JR was in amazing, our days in the east of Canada were the best absolute. Our flights from Saüda were re-reserved with two different areas because of connection problems and that caused a disconnection between the United and Air Canada. Even if the rain was a daily threat, the whole turntable occurred when the sky were clear. Montreal our hiking excursion. She stated that we had to pay higher rates since the original rooms had been turned to the hotels based on the company's policy when travel dates are approached and have not been sold. The dinners included were very predictable, chicken, salmon and other meat. From the beginning to the end, the turnstone was perfect. This was the main reason for our trip to start. The accommodations in Montreal were excellent; In addition, they were fine as the rooms get smaller and smaller. Have revised. My favorite of this turning was old Montreal and Old Quebec City. A start date change within 11 months of departure will be treated as a cancellation and cancellation charges will be applied. I also felt that there was not enough time on the charts to see shops. The cruise in Toronto and the boat ride in the falls were great !!! A fantastic tour of the beginning at the end. You of artifact. (Personal details removed by FEEFO) The extra \$700+ paid for hotÁ is not expected and need. - She knew her "thing", but it didn't seem as she should have been. The optional tour called something like aromas of Canada was a total rip off since it cost \$85.00 and included only a routine meal and a walk around town that included tasting a piece of cheese and a small sample of ice cream, hardly worth all that money. Best times were in Quebec City and Niagra Falls. It took me most of that time, moving from place to place trying to find something I could eat. I was on hold for quite a while when I called. The hotels were excellent, the food was excellent and the tour director and driver were also excellent. In this case, the one-time supplement will be deducted from the canceller's refund. I had a terrible time on the tour. But we only ate in motorbikes for breakfast. Our tour director was very friendly and knowledgeable and truly fun to travel with. We believe they have an excellent product and that is why we used the time spent in Quebec and Ottawa was too short and longer was needed. Collette does not fit into the early arrival vane, leaving me wandering around looking for her representative. Children aged 4 and older can travel on a Collette family tour, accompanied by an adult. Kelly and Gaeston were great as a guide and driver. I loved the places we went to see in Canada. A wide variety of places visited - very difficult to pin down a favorite memorable experience. The accommodations, food, tour manager, bus driver, tour guides, itineraries, all excellent! I wouldn't change it one thing - the whole trip! A little more time in Niagara Falls would have been nice, but then it would take away from something else! I loved the whole trip! The tour was well planned and executed. It was a much larger group than I have visited before, but despite this, the trip was well organized, great hotels and a great tour director and driver od od rias e rartne odaÁidrepsed iof opmet otnat .rajaiv arap opurg oneuqep mu odireferp airtet uE .setnelcexe marof Maybe a 2-door bus will solve this. On July 21, the agent called back and said there were two places available, but there was a question about hotels. What you should know - benefits in this brochure are described only on a general basis. Well organized. Niagara Falls was great and so was Lake Niagara. Any amount paid or payable under any worker's compensation, disability benefit or similar law; 15. I would have liked to see free water on the bus, instead of having to buy it from the bus driver; it would be nice to have a little more time in Ottawa. The connecting transportation was very good, except for the last connection from our Toronto Hotel to the airport. Our only complaint was that most of the time we did not get any shopping time at the various places we went, shopping slowly is an important part of any trip for me, so I was disappointed at the lack of time we had. The entire Quebec City segment was tops. Shopping there at the Chateau Frontenac. 2 memorable experiences áá" the sugar shack in Quebec and the Niagara Falls boat cruise. Also loved Quebec and Montreal was very good. Excellent guide Wesley Vidro and driver Alain. The hotels were conveniently located and were fine, except that the bags were just placed on the floor in the room instead of being placed in luggage racks by hotel staff. The whole tour was good. You need listening devices for walking tours! Good hotels except for Chateau Laurier Hotel in Quebec City - Small and Old Rooms, Outdated Furniture, Horrible Bathrooms and a maze to get to the room. The tour guide was relaxed, kind, and informative. Rated 5 stars! Wonderful. All the questions were answered. We look forward to traveling with you again soon. Support Collette There were so many things, but one of the main things is i have to eat without glÁ ten or i will get sick, especially traveling. Interesting local guides. Collette Support It was OK, I liked Niagra Falls. Although you were transported to a beautiful park, you could not get off the ferry if you wanted to eat the dinner you paid extra for. The choice of hotels was good. Too much time stuck in the bus and poor planning of travel logistics. They were always so helpful, friendly áá" and patient! Thank you! So much has been included in this tour. It is very difficult to choose just one special experience. 3) The people on the tour were so nice. I also loved all the nature and beautiful scenery that we passed in the bus. Very interesting way to show the history of the Canadian government. Quebec City and the surrounding area were spectacular! Great guide, bus, sights, hotels and number of people This trip was so perfect it is impossible to find anything to complain about. Niagara Falls never fails to be awe inspiring! When we landed in Montreal, Quebec the shuttle service, which I paid for through Collette, to take us from the airport the hotel was not there to pick us up. Niagara Falls and Niagara on the Lake were great. Details were taken care of and everything ran smoothly. As a vegetarian, our Tour Manager made us feel included and offered meal suggestions. I absolutely loved our tour of Quebec City. My only problem was the fact that my wife and I were not seated next to each other on some of the flights and we only had a king size bed on the first night. Our tour guide went out of his way to make sure everything was okay. Everything was well organized, The Hotels and Bus service was excellent. Photos shown on tour pages are reflective of the areas visited, but may not be included in the actual tour itinerary. Nice bus experience. The absolute best was approaching Niagara Falls from the river as it roared into nothingness. We would have liked to have had extra time to see Ottawa. One time all I could find was some little carrot sticks and some cheese, the places to see, stay and visit were all more than what the description was so it was an even better trip than I had hoped for. We both ended up sick. Payment of the deposit to Collette constitutes acceptance of these terms and conditions. It was sad to say goodbye as we seemed like a family by the end of the week. I have now traveled with Collette and I like that the hotels are always at the center of the cities so that you can venture into a former account. There were also no tactics used in the organization of places in buses, like other passed excursions where, for example, the left side left first once and the right in the following, or all Front sat behind in the next time and back the front sat. There were no backup plans for canceled activities, which resulted in the way to navigate the cities and locate restaurants on a former account. The tour was wonderful in all aspects: Tour Manager; Hotels, food, places visited, all !! All the experiences were excellent dining outside at the fish restaurant in the fish market was the worst meal that I have already eaten and the restaurant should be left out of the tour. The places we visited and the hotels in which we stayed were fantastic. Please read more travelers on this travel evaluation. Yes, I will not hesitate to recommend COLLETTE.
